

HAWKEYE FFA ALUMNI TRACTOR RIDE

Antique Tractor Riders,

What can we do to make the wintertime in Northern Iowa bearable? Start thinking about warm weather and sunny skies as we embark on the second annual West Bend Antique Tractor Ride. That's right, we had such a good time last year that we are planning on doing it again this year! Ninety-nine tractor riders and one bicyclist can't all be wrong, so please join us as we're on the road again. Our lone bicyclist assures us he will have a tractor to drive this year!

This year's ride will travel through southern Kossuth County. There are morning and afternoon breaks being planned along with a noon dinner stop in Algona. The ride will originate and end at West Bend International like last years did and will be held on Friday, June 29th 2007.

The WBM Hawkeye FFA Alumni will be sponsoring this year's ride along with MaxYield Cooperative, Country Maid Inc. and West Bend International. The profits from the ride will be used for various FFA activities and scholarships along with to help support local town activities. A \$25.00 entry fee per tractor will be charged for the ride. An event T-Shirt and Country Maid Inc. products at registration are included in your entry fee. The Hawkeye FFA Alumni are also planning an Antique Tractor Pull for late afternoon on the 29th and the tractors will be back in town in time to participate or to watch this event. Reserve your spot for a fun filled day and join us as we tour scenic Kossuth County. Take a day off from your normal routine and enjoy the countryside from a tractor seat.
